“Enrichment, Innovation, Opportunity and Success”

19 February 2013

Dear Parents/Carers

On Thursday 28 February 2013 Uralla Central School will be holding a community BBQ at the school. This event will incorporate K-6 class meetings, Year 7 and new secondary enrolment parent – teacher interviews and the distribution of DER laptops to Year 9.

This year, the school will be holding a DER information session from 7.00pm to 7.30pm for parents and students of Year 9 in the Library. At this meeting information regarding the expectations on the care and use of the laptops will be outlined. It is important that parents and carers attend this meeting to understand the implications of damage and repair of laptops. At the conclusion of the information session, students will be issued with their laptops.

If you are unable to attend the DER information session please contact the school to make an appointment with Mr Andrews or Miss Jenner so that you can be provided with information and to allow us to commission the laptop to your child.

Thank you for your assistance and cooperation.

Yours sincerely

Tracey Jenner
Deputy Principal
