

15 May 2014

Dear Parents/Carers,

Kindergarten has moved smoothly into Term 2. Most children have developed good work habits and are doing their best in class work. At the end of this term in Week 8 children will receive a Semester 1 report and parents will be invited to a three way interview to discuss their child's progress in Week 9. We also look through the work sample folder which is part of Semester 1 assessment.

In Physical Education we will continue with daily lessons with K-2 on Mondays, Tuesdays and Fridays and on Wednesdays with K/1E. Our class has been involved in the K-6 Cross Country and Athletics Carnival.

This term we will continue L3 with children moving to more independent writing.

We have been learning about each other in our HSIE unit "This is Me". In Science and Technology our class is working with Mr Bock on "Staying Alive".

Most children have been returning homework books and home readers regularly.

Also in Week 9 we will have a K-6 rewards day for You Can Do It. Further information will be provided later in the term.

If you need to discuss any issues regarding your child please see me before school or make an appointment. Please feel free to speak to me on any matter.

Mrs Jennifer Richards  
Class Teacher
