“Enrichment, Innovation, Opportunity and Success”

17 December 2013

Dear Parents and Carers

I am writing to let you know that I have been appointed to the position of Director, Public Schools NSW (Northern Tablelands). My new role will commence late in January.

Uralla Central School has been my second home for the last twenty one years. I have thoroughly enjoyed my time at our school as a classroom teacher, Head Teacher, Deputy Principal and for the last six years, as Principal. I have been privileged to work with fantastic students and wonderfully talented and dedicated teaching and non-teaching staff.

I would like to publicly thank all of our staff for being an absolute delight to work with, our students for being a pleasure to know and teach and parents and carers for trusting me with the education of your children. I would also like to acknowledge the wider Uralla community and thank them for their support.

Uralla Central is a remarkable school and one that I am extremely proud to have been associated with. In my role as Director, I will watch over the school with great interest as it continues to be a shining light in education across our region.

Thank you again for your support over the years and I wish you all a very Merry Christmas, a relaxing holiday break and a happy New Year.

Sue Brown
