"Enrichment, Innovation, Opportunity and Success"

16 June 2014

Dear Parents/Carers

Our Year 10 students have been working together to decide on a design for their Year 10 shirts. These shirts can be worn as school uniform and will be a great memento for the students when they leave school.

The shirts are a navy blue polo design with a school logo on the front. The back will display a list of the students' names. The cost of the shirt is \$35.00 which needs to be paid in full at the office prior to ordering. Once all of the money has been collected the order will be sent away and we can expect the shirts within 3 weeks.

If you have any queries please do not hesitate to ring the school. Please complete the slip below and return to school with your payment.

Yours sincerely
